

REIRA IKENAGA

Data Analyst | ML Engineer | Software Engineer

📞 0421 310 597 ✉ reiraikenaga511@gmail.com  [linkedin.com/in/reira-ikenaga](https://www.linkedin.com/in/reira-ikenaga)  github.com/Reira0511

Final-year CS student at USYD with experience building end-to-end ML projects (99%+ accuracy, top 15% Dice score). Skilled in Python, SQL, pandas, Tableau and R for data wrangling, statistical modelling and stakeholder facing visualisation. Bilingual (English/Japanese) with a focus on scalable Software Engineering and AI solutions.

TECHNICAL SKILLS

Language	Python, SQL (PostgreSQL), R, Java, C, JavaScript, HTML, CSS
Data & Analytics	pandas, NumPy, scikit-learn, SciPy, Excel (Pivot Tables, VLOOKUP), GeoPandas
ML / AI	PyTorch, CNN, U-Net, GNN, Transformer
Visualisation	Tableau, Matplotlib, Seaborn
Tools	Git, GitHub, Google Colab, VS Code, Jupyter, Microsoft Office
Soft Skills	Statistical Analysis, Stakeholder Communication, Cross-functional Collaboration, Agile
Languages	English (Full Professional), Japanese (Native)

PROJECTS

- AI Cell Tracking Framework – PyTorch • GNN • Transformer • Google Colab** Aug – Nov 2025
 - ▶ Built GNN + Transformer pipeline automating biomedical cell lineage tracking, achieved 99%+ accuracy across 3 datasets, cutting manual processing time by 75%
- Nuclei Segmentation on Microscopy Dataset – PyTorch • U-Net • CNN** Sep – Nov 2025
 - ▶ Deployed U-Net CNN segmentation pipeline, Dice Score 0.86 – top 15% model performance
- Greater Sydney Geospatial Resource Analysis – Geopandas • SQL • Tableau** Mar – Jun 2025
 - ▶ Integrated transport, education & business datasets across Greater Sydney, visualised accessibility insight in Tableau for stakeholder decision making
- Wine Quality Prediction – R • Regression • Statistical Modelling** Sep – Nov 2025
 - ▶ Compared 4 regression variants on 6497 samples, significant-only model outperformed full model, emphasis on interpretability for non-technical audience

WORK EXPERIENCE

- Stock Management Analyst – RGIS Australia** Apr 2026 – Present
 - ▶ Audited stock data using advanced Excel (Pivot Tables, VLOOKUP), produced management reports improving downstream data integrity
- Executive Hospitality Specialist – Tamasaka Nishiazabu, Tokyo** Dec 2024 – Feb 2025
 - ▶ Managed VIP service (~30 per night) and developed stakeholder communication under high-pressure conditions

EDUCATION

- Bachelor of Liberal Arts & Science (Computer Science) – University of Sydney** Jul 2023 – Jul 2026
 - WAM: Credit • Student Representative of Computational Modelling (School of Physics) • Sustainability Society Welcome Fest Ambassador

CERTIFICATIONS

- Data Science Methodology – IBM** Mar 2026
- Data Analytics – Deloitte Australia** Mar 2026
